WELCOME MESSAGE

Namaste & Greetings from Hyderabad - ISSPCON 2026,

It is with immense pleasure and pride that Society for Study of Pain (SSP). Telangana Chapter extends warmest greetings to all of you on the occasion of the 40th Annual National Conference of the Indian Society for Study of Pain (ISSPCON 2026). As Organizing Committee, we are honoured to welcome each one of you to the vibrant city of Hyderabad, Telangana at The Park, Somajiguda, from 6th to 8th February 2026 along with Pre conference Workshop on 5th February 2026. This conference is jointly organized by SSP (Telangana Chapter) and ISSP (Andhra Pradesh Chapter) and hosted by SSP (Telangana Chapter).

This dynamic four- day National Annual Conference focuses on in- depth analyses from Basic Sciences to recent advances in Pain Medicine. Interact with **Eminent Faculties from all 6 continents. It's a global event. Don't miss it.** The theme of this Pain Congress is **" Emerging Trends in Pain Medicine "**.

We have curated a comprehensive program that encompasses a better understanding of the pathophysiology of chronic pain, enhances knowledge regarding a broad range of pain conditions, and critically reviews novel state-of-the-art interventional and non-interventional techniques in the diagnosis and management of chronic pain. Also to look into recent advances in Pain Medicine. It also includes one day Pre Conference workshop focused on Fluoroscopic & Ultrasound Guided interventions (Basic & Advanced).

Immerse yourself in cutting-edge educational sessions, taught by the leading experts and innovators. Network with the best and brightest minds in pain management. Gain inspiration from the Presidential Oration & Keynote Presentation.

Hyderabad with its rich cultural heritage, tradition and warm hospitality, offers a perfect backdrop for this congress . We hope you also take the time to immerse yourself in local culture, Savour the Hyderabad cuisines & make memories that last for lifetime.

We look forward to welcoming you to Hyderabad for an inspiring and impactful **ISSPCON2026**.

With best regards

Hon. Secretary

Dr. Kiran Kumar Gera
Hon. Treasurer

By Attending, You Will Be Able To

- Review current evidence-based guidelines for all Chronic Pain procedures & describe their application to pain management practices.
- Assess the efficacy and adverse effects of emerging therapies for pain and describe their potential use in clinical practice.
- Compare and contrast the choice of neuromodulation techniques and devices as they apply to specific patient diagnoses.
- Evaluate current evidence, application, and regulatory issues associated with the use of PRP and stem cells.
- Advances in Pain Medicine: a Review of New Technologies.
- Describe options for evaluation & treatment of pain in special populations.
- Demonstrate technical skills needed to perform interventional pain procedures using ultrasound and fluoroscopy imaging.

Conference Highlights

Eminent Faculty
Pre-Conference workshops
Young Pain Physician Session
Orations
Research Paper Presentations
Expert Panel Discussions
Advances in Pain Medicine
Quiz

Scientific Programme

Basic Sciences
Recent advances
Neuromodulation
Regenerative Medicine
Fluoroscopic Guided
Ultrasound Guided
MIPSI

Proposed Workshops

Basic Ultrasound Workshop
Advanced Ultrasound Workshop
Basic Fluoroscopic Workshop
Cadaveric Endoscopic Spine Workshop
Advanced Fluoroscopic Workshop

Guidelines for Submission of Abstract

- Abstracts must be original and must not have been published.
- Abstract content should be in English and should not exceed 250 words / 1500 characters (excluding Author & Co-Author Names, Affiliations, Title & References).
- Only one image can be uploaded within the abstract.
- Abstracts must be uploaded only in MS-Word (.doc or .docx) format.

Submission Topics

- Chronic Pain & Musculoskeletal Interventions
- Cancer Pain Management
- Regenerative Medicine
- Regional Anaesthesia
- Neuromodulation
- Post operative Pain Management
- Innovative Ideas related to acute & chronic pain
- Basic research – Anatomy, Physiology & Pharmacology of Pain Management
- Cadaveric Studies
- AI in Pain Management

Eligibility Requirements

- Pain Physicians, Residents, Fellows, Trainees, and Consultants are eligible.
- The presenting author must be registered for ISSPCON 2026 Conference.
- PGs/Fellows/Trainees must upload a Bonafide Certificate from their HOD/Division In-Charge.
- The abstract committee may request additional documents during screening.
- Failure to provide required documents may result in disqualification.
- Last date for abstract submission: **15th December 2025**

2.3 km from The Park Hyderabad

WORKSHOPS

Workshop 1- Basic Ultrasound (Joints)

Rs. 12,000

Time: 8:00 AM - 5:00 PM

Time: 8:00 AM - 1:00 PM

Time: 2:00 PM - 5:00 PM

Station 1	Shoulder	LUNCH	Station 1	Regenerative therapy – PRP, GFC
Station 2	Elbow & wrist		Station 2	Regenerative therapy- BMAC, NANO FAT
Station 3	Hip & pelvis		Station 3	Cryotherapy
Station 4	Foot & ankle		Station 4	Cooled RF & Venom electrodes
Station 5	Knee		Station 5	Conventional RF & Viscosupplementation

Workshop 2 - Musculoskeletal Ultrasound

Rs. 12,000

Time: 8:00 AM - 5:00 PM

Time: 8:00 AM - 1:00 PM

Time: 2:00 PM - 5:00 PM

Station 1	Head & Neck	LUNCH	Station 1	Dry needling
Station 2	Thoracic & chest wall		Station 2	Botulinum toxin – Spasticity
Station 3	Lumbar spine		Station 3	Botulinum toxin – Neuropathic pain
Station 4	Cervical spine		Station 4	Prolotherapy
Station 5	Sympathetic interventions		Station 5	Radiofrequency ablation

Workshop 3- Basic Cadaveric Fluoroscopic Workshop

Rs. 20,000

Time: 8:00 AM - 5:00 PM

Time: 8:00 AM - 1:00 PM

Time: 2:00 PM - 5:00 PM

Station 1	Supine – Gasserian, SPG, Stellate	LUNCH	Station 1	Regenerative therapy
Station 2	Prone- Cervical Spine		Station 2	Balloon compression
Station 3	Prone – Lumbar Spine		Station 3	SCS/ IDD
Station 4	Prone – Sympathetic Interventions		Station 4	Conventional RFA
Station 5	Prone – sacrum, coccyx		Station 5	Cooled RFA

Workshop 4 - Advanced Cadaveric Fluoroscopic Workshop

Rs. 25,000

Time: 8:00 AM - 5:00 PM

Station 1	Cervical discectomy
Station 2	Interlaminar & transforaminal endoscopy
Station 3	Vertebroplasty & Kyphoplasty
Station 4	SCS & IDD
Station 5	Endoscopy instruments

Workshop 5- Soft Skills

Rs. 8,000

Time: 8:00 AM - 5:00 PM

Developing Interactive Abilities & Listening skills for Pain physicians. Focus on communication, leadership, teamwork, crisis resource management, critical thinking & dynamic decision making.

- Didactic lectures
- Focused group discussions
- Practical role-play and feedback

Note:

All the prices Including GST
